

= LELON's REACTIONs vz Corona Virus in China =

Dear Global Respected Customers/ Distributors:

Well known to all of you, Corona Virus in China already caused Big Chaos of Epidemic Situation now-a-days...

Pls be advised the followings in refpection onto LELON's Supply on E-Caps.

1. Plants Operation is only being started to work by 10/ Feb. (10 days late vz planned, per Government's Rule) It will cause in tight on our supply w/o saying
2. LELON do have Law M'tls + WIP/ Stock for short term supply in ready
3. However the whole Supply Chain, some portion is really still uncertainty
4. Moreover, the pipe line of LOGISTICS services are also not yet totally well communicated

Nevertheless, LELON will manage to set priority on supply to Overseas Customers w/ JIT requirements & keep updating the Supply Status on our Web.at least every Friday till entire situation solved.

Let's support each other to overcome those hard times being passed in soon, then

THX for your Understanding &

Best Regards.,

LELON Elec. Corp. of E-Caps
